

# POOL RULES

An Association Board Member, if present, or an Adult Birchwood Homeowner has full authority over any non-adult in the pool area with regard to safety. They are responsible for the implementation of the rules. They have the authority to report those who do not adhere to these rules. Repeated offenders will be brought to the Board of Directors for further action/restrictions. Your help is needed for these rules to be effective and for the pool to be enjoyed by all.
